ADAMS WAS ASSASSINATED

So Says the Coroner Who Investigated
the Supposed Suicide of the
Policy King

New York, October 10.—That Alva
J. Adams, who was commonly known
as the "policy king" was murdered is
now a well founded belief.
Adams was found dead in his room
at the Hotel Ansonia, and at first it
was reported that he had committed
suicide, as a superficial examination
of the surroundings indicated.
Coroner Harburger soon made dis-
coveries which led him to change his
belief, and he soon announced that he
thought it was a case of murder, and
proposed to have a thorough investi-
gation made.
The coroner's jury started on its
work of holding an inquest yesterday
and Coroner Harburger again reiterat-
ed his belief that Adams had been
murdered. He also said that he was
convinced that the man's murderer
would be shown, by investigation, to
be a prominent witness already sum-
moned to the inquest.

WOUNDS, BRUISES AND BURNS

By applying an antiseptic dressing to
wounds, bruises, burns and lacer-
ations before inflammation sets in
they may be healed without maturing
and in about one-third the time
required by the old treatment. This
is the greatest discovery and triumph
of modern surgery. Chamberlain's
Pain Balm acts on this same princi-
ple. It is an antiseptic and when ap-
plied to such injuries, causes them to
heal very quickly. It also allays the
pain and soreness and prevents any
danger of infection. Keep a bottle of
Pain Balm in your home and it
will save you time and money, not
to mention the inconvenience and suf-
fering such injuries entail. For sale
by all druggists.

WILLISTON

(Advocate.)

Rev. J. C. Collum is assisting the
pastor at Williston in a protracted meet-
ing this week.
Flemington church has called Rev.
J. C. Collum for another year's pas-
torate, with an increase of salary.

The Epworth League has recently
received eight new members.
In conference, last Sunday, the
Methodist church received the reports
from all its branches of work. Each
department made a fine showing in
standing and finances. All claims are
paid to date, including the pastor's
salary.

There are four candidates for bat-
tism, who will be baptized next Sun-
day at the usual place and then be re-
ceived into the Baptist church by Rev.
J. C. Collum.

Mr. Rufus Ellison was received into
the Methodist church last Sunday by
letter from Ocala station. Five other
persons applied for membership, who
will be received later.

Epworth League, October 14. Topic:
"Who is My Neighbor, and What of
Him?" Leader, Miss Mary Guess.
Scripture reference, Eph. 4:1-3. Other
scripture lessons read and discussed
by Mrs. P. N. King, Mrs. A. M. Deiger
and Mr. W. J. Galloway. Readings
from Ezra by Misses Leola Hester, An-
nie Griffin and Louise Guess and
Messrs. Lee and Fleming Rhodes. Rec-
itation by Miss Verna Robinson.

The W. C. T. U. met Monday even-
ing with Mrs. J. K. E. Whitehead. Af-
ter a short program was rendered, the
following officers were elected: Mrs. J.
S. Willis, president; Miss Laurie King,
secretary; Mrs. L. C. E. Jones, treas-
urer. Next meeting on Friday evening,
the 19th, at Mrs. B. F. Carter's.

Miss Grace Pinnell spent Sunday
with her parents at Bronson.

Prof. Bailey C. Willis returned to
his school at Homosassa Monday, af-
ter spending a few days with his pa-
rents here.

Mr. L. C. Hester spent Saturday in
Jacksonville.

Mr. and Mrs. W. D. Payne are at
Bradenton for a several days' stay
with relatives.

Mrs. S. W. Petteway was called to
Dunnellon Sunday by wire, on account
of the illness of her husband.

J. H. Burke and wife spent Saturday
and Sunday in Jacksonville.

L. T. Page spent several days re-
cently at Trenton.

P. N. King went to Morrison Tues-
day on business.

The ice plant of the Williston Manu-
facturing Company has suspended op-
erations for the purpose of enlarging
the plant and increasing its capacity
from a 2-ton to a 10-ton daily out-
put. During the entire summer its
output was vastly insufficient to sup-
ply the demands, and while it is in-
convenient to be without it now, on
depend on out-of-town factories, the
present improvements are much need-
ed, and the service will be a great
deal better when completed.

The basket factory is putting in full
time now, and many idle hands are seen
standing around.

Dr. W. F. Yocum's lecture last Fri-
day was interesting and instructive.
The doctor was received by a large
and appreciative audience. He was in-
troduced by Superintendent S. Phil-
lips, who spoke of this venerable and
beloved educator in highest terms, and
presented him to the audience as "The
most popular teacher in the state."

Dr. Yocum's plain, simple, yet beau-
tiful manner of expression soon won
the crowd, which paid him rapt atten-
tion throughout his discourse. The ma-
jority of his hearers knew more about
"the man in the moon" after hearing
him than they did before.

Work is progressing nicely on F. T.
Herring's new store and it will soon
be ready for occupancy.

FATAL BLOW IN THE FACE

A Mississippi Merchant's Heart Was
Weak and He Died From a Very
Trivial Cause

Kosciusko, Miss., October 10.—M. D.
Reese, a merchant, died here yesterday
as a result of a blow in the face. He
had an altercation with a customer
and the latter reached over the counter
and slapped Reese's face. Reese sat
down, as if tired, and immediately ex-
pired.

A physician being called, said that
the blow probably produced heart fail-
ure, causing instant death.

AN AWFUL COUGH CURE

"Two years ago our little girl had
a touch of pneumonia, which left her
with an awful cough. She had spells
of coughing, just like one with whoop-
ing cough, and some though she would
not get well at all. We got a bottle of
Chamberlain's Cough Remedy, which
acted like a charm. She stopped
coughing and got stout and fat."
writes Mrs. Ora Bussard, Brubaker,
Ill. This remedy is for sale by all
druggists.

LEVY COUNTY LOCALS

(Williston Advocate.)

Deputy Sheriff Richard of Cedar Key
arrested two white men who came into
Cedar Key last Wednesday afternoon
with a lot of whiskey and beer on
board of a schooner and put into port
and began to sell the whiskey and
beer to the citizens of Cedar Key.
The two men had a U. S. license to
sell whiskey, etc. They were brought
before Judge Friedman for a prelimi-
nary hearing and Judge Pinnell rep-
resented them on Thursday last. Judge
Friedman held one of them, the one
who did not sell the whiskey, for his
appearance at court in the sum of a
\$200 bond, but discharged the other
one, the man who actually sold the
whiskey and received the money for it.

John R. Willis spent last Thursday
in Williston, visiting his father, and
also transacting some important legal
business.

Mrs. Nellie Jackson, accompanied by
her sister, are visiting her father-in-
law, Col. J. F. Jackson, this week. They
came down Friday night.

Judge Fred Cuddeby passed through
last Friday en route to Gainesville and
Jacksonville on important legal busi-
ness.

Sheriff Walker and wife are now
domesticated in their beautiful cottage,
and are at home to their friends. Sher-
iff Walker has one of the prettiest
homes in the city, and has taken a
great deal of pride in making it beau-
tiful. We hope some of our citizens
will emulate his example in beautify-
ing their homes.

Mrs. Gelson and two little children
of Georgia, who have been visiting the
former's parents for the past two
months at this place, returned home
Saturday, where she was met by her
husband, who is there at present, visit-
ing his parents.

Mrs. W. R. Hodges of Cedar Key,
after spending several days here dur-
ing the past week, returned home Fri-
day, in response to a letter from her
son requesting her to return home, as
the storm period is over.

Geo. M. Willis passed through here
one day last week en route to the
western side of the county, where his
wife and baby are visiting Mrs. Wil-
lis' parents. While there he sold his
horse, and had to return home for a
horse so that he could carry his wife
and child back home.

Hon. N. A. Blitch, convict inspector,
and Dr. Lamar, came down Saturday
night and took trains and went out to
the county convict camp at the Len-
non Naval Stores Company's place.

Hon. W. R. Hodges spent Thursday
of last week in Jacksonville on busi-
ness. He was accompanied by F. G.
Bunker of Cedar Key and G. A. Morton
of Eve and J. S. Blitch of Montbrook.

The drainage question was the topic
of conversation all the way up and
back. Coulter and Bunker being op-
posed to drainage and Morton and
Blitch favoring it. The argument did
not change either one, as they are too
firmly grounded on their views.

Friday on important business, con-
nected with the land office.

The new court house will be ready
for delivery to the board by the first
Monday in November. It is now being
painted with three full coats, and the
finishing touches put on it. The fur-
niture will be set up during November,
and then it will be ready for occu-
pancy.

Dr. DePass of Archer was here on
professional business Saturday.

Rev. R. M. Williams went to Otter
Creek Sunday night and united a couple
in the holy bonds of matrimony at the
Methodist church.

A. L. Tillis, a prosperous farmer
from the Levyville section, was here
Saturday, transacting business.
